Aston Villa 26th April 2009 – Round 6

The final league festival of the inaugural CP Football season ended at the Aston Villa Academy on Sunday 26th April, spectators were treated to some fine football with league titles in both divisions at stake.

In the Under 17 division, Wakefield Tigers were crowned champions and Wakefield Wildcats runners up, Red Devils were third and Aston Villa fourth, player of the year was Jordan Jackson of Wakefield Wildcats.

In the under 14 division, Wakefield Rhinos were crowned champions and Marvels runners up, Wakefield Rovers third and Midlands fourth, player of the year was Chris Farnell of Wakefield Rhinos.

Dick Harwood Chairman of CP Sport England & Wales and Nigel Macrow Aston Villa Community Football Development Officer, kindly presented individual trophies to players and winning cups to the respective captains.

Since the start of the season in October 08, teams have played a total of 18 games over six festivals.

The standard of play and team performances has noticeably increased , three individual players have been spotted by FA talent scouts and were invited for CP development squad trials at Lilleshall in March.

Nigel Macrow was on Hand to ensure the day ran smoothly and treated both players and spectators the opportunity of looking around the very impressive Villa Park.

Our appreciation and gratitude goes to the Robert McAlpine Foundation for their valuable contribution in supporting Cerebral Palsy Sport and Gemma Kehoe and David Howles from Aston Villa for excellent refereeing.

Yours sincerely

Phil Peat
National Junior Development Officer
