Nottingham 21st March 2009 – Round 5

Gresham Sports Pavilion was the venue for round 5 of the Cerebral Palsy football league, bathed in sunshine the venue produced excellent conditions. Gresham sports staff were on hand to ensure the day ran smoothly and spectators were treated to some fine football in both divisions. Our appreciation and gratitude goes to the Robert McAlpine Foundation for their valuable contribution in supporting Cerebral Palsy Sport and James Doyle from Nottinghamshire FA for excellent refereeing.

Under 13 Report

Rhinos take a six point lead at the top of the under 13 league following the results at Nottingham. Marvels are in second place with all to play for at Aston Villa in April.

All teams contributed to some fine football, with all matches being contested to the final whistle.

The level and standard of football has been improving since the start of the season in October.

Under 17 Report

In a similar fashion to the under 13 league, there is a six point difference between the top two places going into the final round at Aston Villa.

Red Devils played very well defeating the Tigers & Aston Villa, but team of the day were the Wildcats who had 3 wins out of 3 to close in on the Tigers.

Three players were invited for trials at Lilleshall as part of the Cerebral Palsy development squad, following performances at Shrewsbury and Manchester.
