A range of local schools took part in this year's campaign through holding fundraising days at their schools. Ellie Simpson and Muninder Hayer, who are both athletes with cerebral palsy, attended schools and talked with children and their teachers about their experiences. In our next edition we will be able to confirm what we have raised.

Fundraising challenge at Rampton Hospital

On the 6th October 2016 patients and staff from the Peaks Unit at Rampton Hospital took part in a fundraising challenge in aid of CP Sport. Their challenge was to cover the virtual distance from Nottingham to Stonehenge and during their 6 hour challenge they managed to cover an amazing 300km!

This challenge was the idea of one of the patients who has a young niece with cerebral palsy. Diana Brennan, General Manager at the Peaks Unit commented; "I am very pleased that the patients came to us with their plan to raise money for Cerebral Palsy Sport and that the event and fundraising has been so successful. I am very proud of their commitment and achievement with such a physically demanding challenge."

Thank you to all the staff and patients for their support in raising £1014.30.
