Team England Selection Criteria

Purpose
The purpose of this document is to define a clear, robust selection criteria for the selection of those who will represent Team England at the 2018 CPISRA World Games.

Introduction
The criteria listed within this document clearly defines the principles of selection for Team England highlighting the process, responsibilities and key time line all competitors must commit to on acceptance of their place within the team.

CP Sport supports the ethos of the World Games as a development competition for those athletes who have yet to experience, or have only experienced competition at this level.

Selection Criteria

- Competitors will only be selected if they have taken part in CP Sport competitions between 2015 - 2017
- All competitors need to have a time/distance within the Games Qualifications Standards issued by CPISRA / LOC
- Each competitor needs to take FULL responsibility for the cost of attending the 2018 games, entry fees, accommodation and food (this is a set price by the LOC of €135 per day) plus flights and Team England Kit.
- Each Competitor will be responsible for providing the insurance for travel to and from games, including any equipment
- Each competitor will need to fully cover the cost of carers / support workers attending the games
- All competitors and their carers/support workers will need to adhere to Team England’s and the LOC code of conduct at all times throughout Games time.
- Each competitor is responsible for the cost of any appeals that they wish to submit and pursue during competition

18th September 2017
CP Sport reserve the right to make amendments to the selection criteria throughout the selection process in line with guidance received from the Local Organising Committee and CPISRA
• Each competitor must hold international classification, those that do not must commit to the classification process as part of the games
• Each competitor must cover any costs associated to classification
• Each Competitor must comply with IWADA and UK anti-doping policies and procedures and would be required to submit to any anti-doping procedure if selected during the 2018 World Games.
