

CP Sport – CP Football Kickstart Event – Manchester – 7th February 2015

On Saturday 7th February Cerebral Palsy Sport and CP United FC hosted a CP Football Kickstart event at Partigton Sports Village to launch their 'Foundation Phase' section of the club for 3-11 year olds and support the growth of their 12-16 junior section & 16+ adult section.

Young leaders from the club helped to deliver the day as part of their FA Junior Football Leaders Award, which has engaged young people with CP themselves to be leading the delivery of football sessions for the young players. Michelle Wilcock who co-founded the club and coaches teams at the different age groups said "The enthusiasm, knowledge and professionalism shown by our young leaders on the day was excellent. The care they showed to the little ones was remarkable and lovely to see, they are a credit to the club and fantastic role models for our younger players."

With 14 new players attending the day, there were lots of skills, smiles and new friendships made. A fantastic environment was setup by the club, with great football facilities and food, drinks and a friendly welcoming introduction from the entire club.

A huge thank you to Michelle Wilcock and her team of parents, volunteers and staff whose passion to set up their own CP Football Club brought everyone together for a fantastic event and session that will inspire so many children to carry on enjoying their football.

Regular CP Specific sessions held on Saturdays 12.30-1.30pm at Partington Sports Village
For more information on this and session times for other age groups please contact visit us on Facebook: Cerebral Palsy United FC, Twitter: CP_United_FC, Website: www.cpunited.co.uk
