

CP Sport – CP Football Kickstart Event – Worcester 18th January 2015

Hosted at Malvern St James Sports and Fitness Centre, our Worcestershire CP Football Kickstart event gave our young players a fantastic venue to begin their football activity. The event demonstrated a strong partnership between CP Sport, Newtown Sport CP FC, Newtown Sports Juniors FC and Worcestershire FA, along with support from young leaders from Worcestershire FA Youth Council.

A huge highlight for our young players was a surprise visit from local Paralympians Sacha & Nyree Kindred, who gave up their time to inspire the youngsters with their medal winning stories and Paralympic highlights.

In order to develop a lasting legacy of CP Football and equip coaches with the skills to deliver football sessions specifically to players with CP, local coaches shadowed CP Sport staff to pick up hints and tips to aid their development. Coaches delivering the follow-on football sessions had the opportunity to ask questions and get an insight from CP Sport staff, parents and most importantly the young players.

Our group of keen footballers enjoyed skills activities and small-sided games, full of enthusiasm through their love of football and new found friendships. Developing a range of new skills such as dribbling, passing and shooting, the participants were keen to carry on even when it was time to leave. Smiles on the faces of our young players lasted for the entire three hours as they worked hard and gave it their best.

A huge thank you to Ned and Scott Tranmer, whose passion to set up their own CP Football Club brought everyone together for a fantastic event and session that will inspire so many children to carry on enjoying their football.
