

Wishing you all a Merry Christmas and Happy New Year from everyone at Cerebral Palsy Sport!

2015 has been a great year for us at Cerebral Palsy Sport with many children, young people and adults taking part in so many sporting activities including athletics, bowls, football, swimming, junior activities and table cricket.

2015 was also a special year, not least because of the Nottingham 2015 CPISRA World Games. We were so proud to welcome the world to Nottingham and to see athletes from around the world coming together to compete on an international stage.

We would like to say a huge thank you to everyone who was involved in helping to make the World Games a success.

We would also like to send a big thank you to all of those who have supported Cerebral Palsy Sport throughout 2015. To all our volunteers, members, fundraisers, officials, partners, participants and families - we couldn't do it without your ongoing support. Thank you!

We hope everyone has a wonderful Christmas and we look forward to working with you all in 2016.

Office closure over Christmas and New Year

The Cerebral Palsy Sport office will be closed from Tuesday 22nd December and will reopen on Monday 4th January 2016. However, we will be monitoring the info@cpsport.org email account during that time.
